2. General conditions of use

The "GREEN MOTION™" tool was developed by the V. MANE FILS company (hereinafter "MANE") and allows to evaluate flavor or fragrance products such as extracts, molecules or compositions in accordance with the green chemistry principles. The "GREEN MOTION™" tool enables the calculation of a factor, or scoring, which is the result of the combination of the data specific for each product provided by the user and the criteria established by MANE.

The access to the site and the use of the "GREEN MOTION™" tool implies the acceptance without reservation and the compliance with those general terms and conditions of use.

The user acknowledges that the "GREEN MOTION™" tool is provided by MANE at the following address <http://greenmotion.mane.com> under the user's sole responsibility.

The terms of use of the website www.mane.com as well as the privacy policy respectively available at the addresses [Terms of use | MANE](#) and [Privacy policy | MANE](#) are integral parts of the present terms and conditions that the user must accept for use the tool "GREEN MOTION™".

Access to the "GREEN MOTION™" tool requires the user to create an account by completing an online form and to be assigned a strictly confidential and personal password and username for which he is solely responsible and which he undertakes to keep confidential for his own use or for the use of its employees. The user is responsible for any breach of these terms and conditions by any person who has had access to his identifiers. Any fraudulent use of these codes that the user would be aware of must be immediately notified to MANE which reserves the right to temporarily or permanently interrupt its accesses by suspending or terminating the present terms of use without notice or indemnity.

MANE makes no warranties as to the accuracy, relevance, reliability, accessibility and the fitness to a particular purpose of the information, software, products, services and materials contained in the site.

MANE excludes all liability in respect of the content of the site as well as the data and results mentioned on the sheets provided following the use of the "GREEN MOTION™" tool. The data entered in the "GREEN MOTION™" tool by the user are under his sole responsibility and control without any control or validation of any kind or certification from MANE. The use of the information and/or documents available in the "GREEN MOTION™" tool is entirely and solely the responsibility of the user, who assumes all the consequences that may result from it, without MANE's responsibility being sought in this respect, and without recourse against MANE. MANE shall under no circumstances be liable for any damage of any kind resulting from the interpretation or use of the information and/or documents available on this website.

More specifically, MANE makes no warranties nor shall be held liable for the method used for the evaluation of the products including the criteria selected by MANE, the weighting of the criteria or the accuracy of the method, the calculation or the results derived from the use of the "GREEN MOTION™" tool.

In no event shall the content of the sheet or the results be presented to a third party as being issued by the V. MANE FILS company or having been agreed, validated or controlled by MANE.

The "GREEN MOTION™" tool is provided for information purpose only and shall not constitute a recommendation, a substitute for professional advice or analysis or be used for any other purpose than the mere guidance of the user.

The user shall bear all risks incurred by the use of the site and the "GREEN MOTION™" tool. MANE excludes all liability for all direct and indirect damages, whether material or immaterial, incurred by the user or any third party as a result of the use of the site or the "GREEN MOTION™" tool, their content, their availability or any error or omission related to the site or the "GREEN MOTION™" tool. In that respect, the user undertakes to defend and indemnify MANE from and against all consequences and all damages as a result of

the use of the site and the "GREEN MOTION™" tool by the user or as a result of the breach of those general conditions of use by the user.

On top of the access enabling the use of the "GREEN MOTION™" tool, the user can subscribe to the PREMIUM version which allows the recording of the information provided by the user in the "GREEN MOTION™" tool and the evaluation obtained.

MANE undertakes to use its best endeavour to secure the data you store in the database accessible through the site according to the actual standards. However, there is no such thing as a perfectly secure database and MANE cannot be held liable in this respect.

By default, MANE has no access to the information provided by the user in the "GREEN MOTION™" tool. The user may decide to share with MANE the information provided in the "GREEN MOTION™" tool and the evaluation obtained. In such case, the user asserts and guarantees the accuracy of the information provided in the "GREEN MOTION™" tool he decides to share with MANE.

Whatever may be his level of access, the user can choose to accept to share the data entered into the "GREEN MOTION™" tool by the user and the results calculated by the "GREEN MOTION™" tool with MANE or not.

In case the user requests to share the data entered into the "GREEN MOTION™" tool with MANE, the user acknowledges and accepts that MANE will have access to said data provided by the user and to the results of the calculations performed by the "GREEN MOTION™" tool. The user accepts that MANE uses his data for MANE's own needs, being understood that MANE undertakes to keep strictly confidential such data and not to disclose such data to third parties.

The personal data collected are exclusively those provided by the user when registering in order to be given an access to the site and the "GREEN MOTION™" tool. Those data are used exclusively to enable the user to identify and access the site and the "GREEN MOTION™" tool and will in no event be transmitted to third parties. In accordance with the provisions of French law dated 6 January 1978, on information technology, files and civil liberties, all users have a right to access and rectify any personal data concerning themselves, that you can exercise by contacting MANE, 620 Route de Grasse, 06620 Le Bar-sur-Loup France phone +33 4 93 09 70 00.

The user shall use the site and the "GREEN MOTION™" tool according to the applicable laws and regulations.

MANE uses all reasonable means to provide the best possible access to the site and to the "GREEN MOTION™" tool but shall not be compelled to achieve it. Therefore, MANE cannot guarantee site and/or service availability, transmission reliability and response time or quality performance. No technical support is provided for the user.

MANE reserves the right to modify, interrupt or update the site and the "GREEN MOTION™" tool at any time, without prior notice, which can lead to unavailability of the site. The publisher cannot be held liable in the event of impossibility of access to this site and/or use of the services or of any consequences, direct or indirect, that may result for the user.

All materials including content, data, software, information, pictures, texts, images, videos, logos, products and services contained in this site or provided through this site are either the exclusive property of MANE or used by MANE, with the appropriate authorizations of the right owners, and are protected by intellectual property. Any reproduction, representation, broadcasting or use of any or part of the materials appearing on the site is strictly forbidden without MANE's prior written consent. The reverse-engineering of the software provided to the users through this site as well as the attempt to access the source code of this software is strictly forbidden except when French laws oppose such a prohibition.

MANE reserves the right to amend the terms of those general conditions of use. The changes of the general condition of use are opposable to the user from the moment they are put online and therefore the user shall regularly consult the last updated version available on the site.

The performance, interpretation and validity of those general conditions of use are governed by French laws.
